2. 30.9.2008 Heard.

This petition is by way of renewing the prayer, earlier being dismissed. The petitioner approached the lower court as per the direction of this Court contained in the order passed in Cr. Misc. No. 11997 of 2008. The learned trial Judge has recorded that five witnesses so far examined by him in the case have all turned hostile and that included the father of the deceased also. The informant has not been examined. It is also not clear as to how many witnesses were there in the chargesheet. The non-support by five witnesses including the father of the deceased appears to me of no consequence.
